OpenAI safety team whistleblower claims GPT-6.1 Astra is more powerful than GPT-4o

Source: TechCrunch AI | Urgency: MEDIUM | 2026-10-01T18:14:00-07:00

OpenAI safety team whistleblower claims GPT-6.1 Astra is more powerful than GPT-4o. The whistleblower, who has been identified by **Wall Street Journal**, claims that OpenAI's new model, GPT-6.1 Astra, is significantly more powerful than GPT-4o and can be used to create autonomous weapons. The whistleblower also claims that the model is capable of generating code that can be used to create autonomous weapons. The whistleblower's claims are being investigated by the **New York Times**. OpenAI has denied the claims, stating that the model is not capable of generating code that can be used to create autonomous weapons. The whistleblower's claims are being investigated by the **AI Agent** team. The whistleblower's claims are being investigated by the **GPT-6.1 Astra** team.
